

# NORWICH CANOE CLUB

A club for all ages and abilities

## ABOUT US

We are one of the leading kayak racing clubs in the UK with over 190 members spanning all ages and abilities

Our members range in age from 8 to 80, and it is not uncommon to see several generations from the same family on the water!

Our members also span all levels of ability; we have beginners, top athletes and paracanoeists. Some members just want to have fun on the water whereas others want to go as fast as possible.

Whatever your goal is, Norwich Canoe Club will welcome you as part of our community, and support you to reach your goals.

## LEARN TO KAYAK

At Norwich Canoe Club, our courses are designed for everyone - no matter your age, background, or experience.

Whether you're stepping into a kayak for the very first time or returning to the water after years away, you'll find a welcoming, supportive environment where you can learn at your own pace.

From juniors to over-60s, individuals to families, we believe kayaking should be accessible, confidence-building, and fun for all.

# LEARN TO KAYAK 2026
